

MALAYSIAN CORPORATE SMOKE-FREE PLEDGE

We, Angsana Health Sdn. Bhd. pledge to protect the health of our employees, our partners, our customers and our fellow Malaysians, and align to the World Health Organisation (WHO) MPOWER measures, a part of the WHO Framework Convention on Tobacco Control to which Malaysia is a Party.

We pledge to honour the following obligations to ensure a smoke-free world in the following ways.

Ensure a Smoke-Free Workplace: We commit to prohibit all forms of smoking and tobacco products, including but not limited to cigarettes, waterpipe tobacco, vaping, and other tobacco products, within all our workplaces, premises, and company-sponsored events.

Advocate for Anti-Smoking Campaigns: We commit to develop, promote, and implement company-wide, local, national, and global (where appropriate) anti-smoking campaigns, such as health promotion in our premises, leadership by example and protecting people from tobacco smoke.

Enforce Bans on Tobacco Advertising, Promotion and Sponsorship (TAPS): We will not provide any form of sponsorship that directly or indirectly supports smoking or tobacco use. We will reject any form of sponsorship from tobacco companies for all our business activities.

Support Quit-Smoking for Our Employees Who Smoke: We commit to providing evidence-based and sustainable quit-smoking support for our employees.

We take this Pledge for our employees, our customers, our business partners, and our fellow Malaysians, to build a smoke-free world together.
